Description

Pattinson estate agents are delighted to offer to market, this extended 3-bedroom bungalow, in the ever popular South Hylton area of Sunderland.

Close to local amenities, schools, and great transport links to the city and beyond, this location has proven very sought after.

This home has undergone extensive upgrades, including a completely new living area being built, allowing the previous lounge to now be used as the master bedroom.

The new living area is vast in size and incorporates side aspect windows and modern downlights which complement each other to flood the room with light where needed. There is also a fully fitted feature Log burner installed which can be used as the sole heat source for the property if desired.

The bungalow briefly comprises of the Living area, Kitchen, 3 bedrooms and the family bathroom all on a one level format.

Externally there is a sweeping two car drive, with a large stone featured garden to one side, and a lawn garden to the other. At the head of the garden there is a patio area. To the rear, there is also another patio area, which also has log storage.

Make no mistake, this property is beautifully presented and is absolutely move in ready, which adds to the rarity, which we expect to create strong interest.
